## Kindergarten - English

Please come in at any time to see what we're doing! My bi-monthly newsletter will keep you up-to-date and give information on how you can help your child with the work he/she is doing in my classroom. E-mail is the best way to get in touch with me. The best time to meet with me is after school, just let me know if you'd like to meet!

I can't quite believe it, but this is my 14th year of teaching! After doing my student teaching at Latona, I spent two years at T.T. Minor, then came back to Latona and went through the transition into JSIS. I am proud that I started the "looping" tradition here with my first Kindergarten group. When the first grade position came open the next year I made my case for moving on with them to first grade and we've been doing it ever since.

As many of you know, I play bass guitar in a band, Kinski. We play mostly instrumental rock music. We've released 4 albums and are on many compilations. The band has made numerous tours of the U.S., been twice to Japan, and once to Europe. We will be recording our 5th full-length album this winter. This, besides reading, which I love, takes up all of my out of classroom time!
