Dear JSIS Families,

It's hard to believe that this is the last week of May! I hope you all had a wonderful Memorial Day weekend with your families. I'm speaking at an international education conference in Los Angeles this week and will be back by Friday.

June is always a busy month for teachers and families as we wrap things up for the year. Although it's unavoidable for kids (or teachers) to completely block out the promise of soon-to-come days of relaxation and fun, let's work together at school and home to finish the school year strong. We have a lot of fun in store for the kids including field day and the end-of-year barbecue, but we also want to make sure that we maximize the learning time as well.

Have a wonderful rest of the week,

~ Mr. Aramaki
